

Tenant Consultation – Hoseason Gardens, Edinburgh Bicycle Storage

We are delighted to announce that Ark has been successful in applying for the funding of bike storage units from Cycling Scotland. Following a tenant consultation in 2019 Hoseason Gardens has been identified as a location where bike storage units will be installed for tenants.

A recent site visit has identified 2 possible locations for bike storage units at the side of the building where the industrial bins are and the other in the car park area. We are open to any other possible suggestions from tenants should they think there is a more appropriate location.

Please see below proposed bike storage units and location options:

Option 1

- We have received permission from The City of Edinburgh Council to move the bins from this current location to the car park at the other side of the building – we hope that by moving these bins this could also prevent fly tipping.
- Bike store will be installed and fenced in and additional fencing to create a defined path into the back communal garden
- 2 car parking spaces will be created at this side of the building
- 3 parking spaces will remain in the car park at the other side of the building

Option 2

- Bike store would be installed at the bottom of the car park
- Sand bag holder will be moved to another location
- Yellow bin will be moved to the side
- 1 car parking space may be lost
- Bike store will be fenced in
- Additional lighting will be attached to fencing to provide light in car park

We would like to know what you think; whether you are happy with the proposed space; whether you have a bike or would use a storage unit and how these could be allocated.

You are invited to participate in a consultation taking place on site at the proposed installation sites on Tuesday 14th September between 10 am and 2pm.

Both Margot Lord, Housing Assistant and Rob Ormston will be present to hear your comments and answer any questions you may have. Current covid restrictions and guidelines will be adhered to and arrangements can be made to visit individual tenancies if there are any issues with you coming to us on site.

Alternatively tenants can also contact Margot Lord on 0131 478 8146 or email any feedback/comments to: housing@arkha.org.uk.

Please ensure any comments are submitted by Monday 20th September 2021.
